### Industry Consultant

#### Bonnie Krims

Owner, *The Perfect Palette*, Carlisle, Mass.

Bonnie Krims is one of only a handful of nationally recognized paint color experts and architectural paint color consultants in the United States, specializing in both interiors and exteriors. She is celebrated for her work as a consultant and her special ability to select colors that feel like "the clients' own colors."

Krims first gained popularity with the publication of her bestselling book, "The Perfect Palette." She has written three more books and has appeared on popular Home and Garden television shows. Krims also recently served as the content expert for the True Value Corp. in the creation of an educational program called Advanced Color School.

Using her many years of experience, Krims has created a new kind of color training. Her home-study course, "Creating Perfect Palettes" focuses on selecting color for interiors.
